Immediate Effect of Great  
Kidney Remedy is Soon  
Realized

In March, 1905, I was troubled with severe pains in my back and left side, but didn't think it was anything serious until last September. I got so bad that I was obliged to seek medical aid. It seemed as if I was suffering almost a living death, with hard straining and burning pains after each call, and I would have from five to six calls during the night. I had almost given up to die, when I happened to think of trying Dr. Kilmer's Swamp-Root. My husband bought me a bottle and I began to improve from the first dose. When I had taken two bottles I was completely cured. Yours very truly,
